Composer, keyboard player, and violinist Wolfgang Amadeus Mozart grew up in Austria. He was writing keyboard sonatas by age five, playing concerts throughout Europe at age six, and composing his first opera at age 11! Mozart could compose anywhere—at meals, while talking to friends, or while playing pool.

If Mozart were a guest in your home or neighborhood, where would you take him? Make a Mozart cut-out using the illustration at right. Take a photo with your cut-out and share it with Carnegie Hall at linkup@carnegiehall.org, on social media using #orchestramoves or the Twitter and Instagram handle @carnegiehall, or in the Link Up Facebook group (Carnegie Hall Link Up).
