

Recorder Checklist

When playing the recorder, there are two basic positions: rest position and playing position.

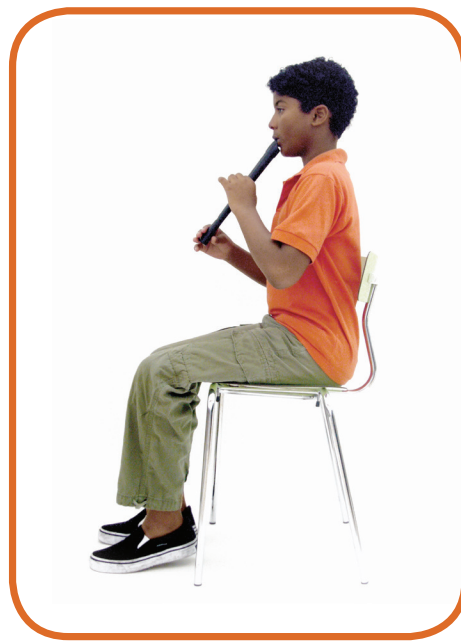

Rest Position

Place your recorder in your lap or let it hang from its lanyard.

Playing Position

Hold your recorder up and ready to play. The left hand is on top, and the right hand is below.

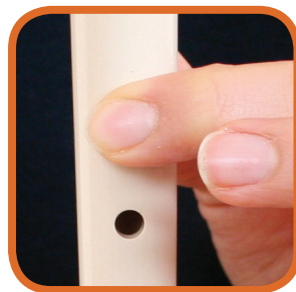

Hands

left hand on top

Holes

finger hole(s)
completely sealed

Lips

lips covering teeth

Breath

not too hard,
not too soft
