Voice:

Allegro assai

Joyful as we join in singing

An-thems old, yet strong and bright

Near and far to all we're bring-ing

Voices filled with hope and light

Sing-ing brings us all to-ge-ther

When our voices
would be small Gives us power undivided Now united one and all.

Singing brings us all together When our voices would be small Gives us power

united Now united one and all.
Joyful in the songs we're singing

Joined in music and in word
With the power that we're bringing
As one voice we

will be heard
Sing - ing brings us all to - ge - ther
When our voices
would be small
Gives
us
power
undivided
Now
united
one
and
all

Sing-ing brings us all together
When our voices would be small
Gives
us
power
undivided
Now
united
one
and
all
