Text

Chorus:

Thululululu Thululululu Thululululu

Hhalala Hhe Mh*

Thululululu Thululululu Thululululu

Hhalala Hhe Mh*

Sitting in the morning, looking at the ocean
And the sun rising from the horizon
Our people never understood
The power of the nature, the meaning behind it
Ubuhle bemvelo Ma!

Translation

Nature's beauty!

Shhi ye Ihh Maybabo

Shhi ye Ihh Maybabo Maybabo*

(Chorus)

Ngoludala kwelakithi

Amasiko ayehlonishwa

We used to celebrate the mother nature.

Kwakumnandi kudliwa ngoludala

Let's go back to the old times
When we lived life the ancient ways.
Traditions were respected.

It was nice living in the old ways.
