

Explore Instruments in Son Jarocho

REQUINTO

a four- or five-stringed, guitar-shaped instrument that plays the melody of the tune

LEONA

a large four-stringed, guitar-shaped instrument that makes a low sound like a bass guitar

JARANA

an eight-stringed, guitar-shaped instrument

QUIJADA

a percussion instrument traditionally made from a donkey jawbone with teeth that rattle when you strike or scrape it

TARIMA

a raised, wooden platform used as a dance floor for zapateado

PANDERO

a small hand drum that often has small metal jingles around the frame
