Note to Teachers

For each task, you are provided the following items:

- Task summary
- Estimated time required
- Materials list
- Repertoire (if any)
- Suggested procedures and prompts with a highlighted script

To administer this assessment, you need the following items:

- A pencil for each student
- A copy of the two Student Worksheets for each student (used for Tasks 3 and 4)
- A clipboard / writing surface for each student and teacher
- Copies of the Record Sheet with Rubric
- A CD or media player connected to speakers (used for Task 3)
- Two contrasting listening selections, such as a lullaby and a march (or you may play/improvise two pieces on an instrument)
  Suggested listening selection:
  - Download Audio: Overture to *The Marriage of Figaro*

*Scripted text for teachers is treated in blue italics.*

Pre-Set Materials

- A clipboard with the needed Student Worksheets, pencil, and a piece of yarn at each student’s assigned seat
- A CD player or iTunes ready to play audio (for Task 3)
- A clipboard with Record Sheet with Rubric
Task 1
Rhythm and Meter: Perform a Four-Beat Pattern

Task Summary: Students individually take turns clapping, tapping, or vocalizing four-beat rhythmic patterns using quarter-notes, eighth-note pairs, and quarter-note rests.

Time: 5–10 minutes

Materials: Record Sheet with Rubric, Teacher Worksheet: Four-Beat Rhythmic Patterns

Repertoire: N/A

Warm-Up
• The whole class claps, taps, or speaks four different rhythmic patterns together as a class.

Task Instructions
• Pre-set one rhythm card.
• Now let's take turns reading these rhythms out loud, starting with [name of student] and ending with [name of student].
• Clearly describe and show the order for turn taking. Use a variety of cards so that each student has a unique rhythm to clap or tap.
• As students perform, watch and assess each individual.
Task Summary: Students begin to sing a known song together. When the teacher signals them to stop, students stop, count, and write down the number of melodic phrases they have sung.

Time: 10–15 minutes

Materials: Student Worksheet: Form and Design, Teacher Worksheet: Form and Design

Repertoire: known song with clear melodic phrases (suggestion: “Bow Wow Wow”)

Warm-Up

• Review how to count melodic phrases, referring students to the song lyrics, punctuation, and singing breaths.
• As a whole group, ask students to sing, count, and discover the number of phrases in a known song.
• Let’s play “Stop and Count.” I will sing part of this song. When I stop, show me on your fingers how many phrases I sang.
• Practice singing only two phrases of the song and asking for the number of phrases sung.
• Repeat activity, singing three phrases.

Task Instructions

• Now we’re going to play the same game with the song “Bow Wow Wow,” only this time you are going to write your answer down. Do NOT show the answer. Silently—in your head—count the number of phrases I sing. Here’s number one.
• Sing the entire song (four phrases) and stop.
• How many phrases did I sing? Write your answer next to number one. (Wait 15 seconds.)
• I’m going to sing the same number of phrases again. Check your answer!
• Sing entire song again (four phrases) and stop.
• How many phrases did I sing? Write your answer next to number one. (Wait 15 seconds.)
• Repeat the same steps singing two phrases for number two, and three phrases for number three.
**Task Summary:** Students listen and move to a musical excerpt, then listen and select the corresponding dynamic, tempo, and articulation choices using the Student Worksheet.

**Time:** 10–15 minutes

**Materials:** Student Worksheet: Expressive Qualities

**Repertoire:** Download Audio: Overture to *The Marriage of Figaro*

---

**Warm-Up**

On your student worksheet, look at these three rows of choices: forte/piano, presto/largo and legato/staccato. As I point to each box, show me with your body what that would look like.

- Have students review and practice the musical terms and agreed-upon movements based on standard conducting gestures corresponding to each.
  - *Show me forte.* (Model hands moving far apart.)
  - *Piano* (Model hands moving close together.)
  - *Presto* (Model hands/feet moving quickly.)
  - *Largo* (Model hands/feet moving slowly.)
  - *Legato* (Model hands moving smoothly in long lines.)
  - *Staccato* (Model hands moving in jerky, short motions.)

---

**Task Instructions**

- Look at your worksheet. Find the three rows of choices: forte/piano, presto/largo, and legato/staccato.
- You’re going to listen to a piece three times. Show me with your movements if the music is forte (model gesture) or piano (model gesture). When the music stops, circle if the music was forte or piano.
- Play the audio track while students listen and move.
- **Now circle if the music was forte or piano.** (Wait 15 seconds.)
- Twice repeat these same steps with the same audio track, listening for presto or largo, and legato or staccato.

---

**Going Deeper**

- Find the words “When I hear this music I think about …” Now take two minutes and fill in the blank.
- Wait two minutes.
- **Now take two minutes and fill in the next blank:** “This music makes me feel …”
- Wait two minutes.
Task Summary: Students use yarn or string to create and perform a simple melodic contour using their voices. (Note: Only the performing aspect of this task will be assessed.)

Time: 10–15 minutes

Materials: one piece of yarn per student, Record Sheet with Rubric

Repertoire: N/A

Warm-Up
- The whole class practices vocal sirens, vocalizing on “ooh” from high to low, low to high, etc.
- The whole class reads and vocalizes a melodic shape from the board together on “ooh.”

Task Instructions
- Pre-set one piece of yarn per student.
- Now, please find your piece of yarn and take one minute to make your own melodic shape on the floor.
- Wait a minute and make sure none of the shapes are vertical.
- When I say “begin,” quietly practice following your yarn’s ups and downs with your finger and voice. When I give you a signal, there should be silence. Ready, begin.
- Wait a minute, then signal for silence.
- Okay, let’s take turns reading them aloud using your finger and siren voice to follow the ups and downs of your yarn’s shape. We’ll start with [name of student] and go around. (Clearly describe and show the order for turn taking.)
- Ready, begin.
- As students perform, watch and assess each individual.
Task Summary: Students take turns singing solo phrases of a known song as the teacher listens for use of singing voice.

Time: 5–10 minutes

Materials: Record Sheet with Rubric

Repertoire: known song with limited pitches in comfortable singing range (C4–C5) (suggestion: “Closet Key”)

Warm-Up

- Have students stretch, practice vocal sirens, and echo sing a few patterns to warm up their voices.
- Have students sing “Closet Key” or another known song as a whole group.

Task Instructions

- Now we’re going to take turns singing one phrase each of “Closet Key,” and I’m going to listen for your singing voice. We’ll start with [name of student] and go around. (Clearly describe and show the order for turn taking.)
- Sing the first phrase, then gesture to the first student to sing the following phrase, and to the next student to continue, etc.
- As students perform, watch and assess each individual.

Four-Beat Rhythmic Patterns

Below are 12 different rhythmic patterns. Cut these patterns into flashcards for use in Task 1. You may also choose to create additional patterns for this task.
Sample Song

Bow Wow Wow

Traditional

Bow, wow, wow, whose dog art thou?

Little Tommy Tucker's dog. Bow, wow, wow.
How many musical phrases did you hear? Write in the numbers below.

1

2

3
Circle the words that go with each song.

1. Is this song forte or piano?

   - **Forte**
   - **OR**
   - **Piano**

2. Is this song presto or largo?

   - **Presto**
   - **OR**
   - **Largo**

3. Is this song legato or staccato?

   - **Legato**
   - **OR**
   - **Staccato**

When I hear this music I think about ...

This music makes me feel ...
Sample Song

Closet Key

Traditional

I have lost the closet key in my lady's garden.

I have lost the closet key in my lady's garden.
